

ThaiBMA Press Release

Issue 4/2016

8 April 2016

ThaiBMA is launching a new designed website

Thai Bond Market Association (ThaiBMA) will launch the new designed website (www.thaibma.or.th), offering a more quick and easy access to bond market data and vast coverage on Thai bond market.

The new features of the website include;

- Issuer search: allow users to search for a particular issuer with integrated information for each issuer such as news, bond issuance and bond outstanding.
- Quick shortcut by user types: allow each type of users to access relevant information more easily

The new website (www.thaibma.or.th) will be available from 11th April 2016 onwards
